OTHERS PRESENT: Mike Peterson, City Councilman, Carol Winn Woodside

Tom Shimizu opened the meeting at 6:15 P.M. He introduced Carol Winn Woodside to the committee. She is going to help Mr. Shimizu with the history for that portion of Butler that he is responsible for gathering information.

Councilman Peterson reported that last night he presented the narratives to the City Council. He also mentioned that he had met with Gayle Conger, John Glauser, and Sylvia Orton and the placement of the markers along the trail was finalized. If the committee tonight approves the placement the project can immediately proceed. The contract for the markers has been approved for \$14,000.00. We have \$6,000.00 in this year's budget with another \$8,000.00 approved for next year, which will be available July 1<sup>st</sup>.

Butlerville Days is coming up and Councilman Peterson presented a map of the area. Sylvia Orton has been working on our committee's display.

Councilman Peterson invited the committee to attend a ribbon cutting ceremony to be held on June 25, 2013, at 5:00 P.M. This will officially open the Big Cottonwood Canyon Trail. Meet just under the bridge at the mouth of the canyon.

John Park, City Manager stopped by. Mr. Shimizu informed him that Max Evans has been called on a mission and will be removed from the committee. Mr. Park agreed to take care of the matter and asked that Mr. Shimizu to report on a replacement.

Gayle Conger presented a copy of the map listing the location of the markers. Councilman Peterson asked for the committee's approval which he got. There will be two "Welcome" markers placed, one at each end of the trail. The markers will be larger than the others and will show where in the City they were located. The committee approved this concept and Ms. Conger will get with Mr. Peters to begin designing those two markers. She also mentioned that wording on one of the markers will be changed from "LDS Pioneers" to "Mormon Pioneers" at the request of the City Council.

Sylvia Orton reported on Butlerville Days. T-shirts have been ordered and they will be handed out closer to the 24<sup>th</sup> of July Butlerville Days celebration. She mentioned that parking passes will not be available until closer to the celebration. John Glauser has the larger cutouts of the Butlers and McGhies. They are stored in his garage and Jerri Harwell will supply the paint for touch up and painting the new stand to hold up the two cutouts.

Ms. Orton explained that she has 100 photos that will be blown up and mounted on form core. Some are of the students of Butler and Union school and the balance are family photos. They will be added to our collection of historic photos. There will also be posters made by Mr. Shimizu, Dean Smart, and Carol Winn Woodside. Dean Smart will also bring some of the aerial maps that we displayed last year.

Ms. Orton asked for names of those who are planning on helping the night before putting up the grids and help in placing the photos on the grids. She will let the committee know the exact times as the BVD committee finalizes their plans

Since there is no meeting in July, our next meeting will be August 14, 2013, at 6:15 P.M.
